

FCIP Site Verification Form

Fresno County Incentive Project (“FCIP”) applicants that do not own the property where the proposed installation site is located, must provide authorization, to the satisfaction of the Center for Sustainable Energy (“CSE”), that the installation work is authorized by the owner of the real property and the applicant. Each owner and each applicant must complete, sign, and submit this form to CSE. CSE reserves the rights to require that applicant and owner provide such further information as CSE may require to review and approve of applicant’s application.

FCIP promotes easy access to zero-emission vehicle infrastructure by offering rebates for the purchase and installation of eligible Level 2 electric vehicle (EV) chargers in Fresno County. Rebates of up to \$4,000 for single port EV chargers and up to \$7,000 for dual port EV chargers are available. More information on FCIP is available at: <https://calevip.org/incentive-project/fresno>.

Under FCIP, the Applicant is the organization that will receive the rebate (Rebate Recipient); the Applicant may or may not be the beneficiary of the EV charging (i.e. the organization/employer/business that will derive the greatest benefit from the EV charging).
