

Northern California Site Verification Form

Northern California Incentive Project Applicants that do not own the property where the proposed installation site is located, must provide authorization, to the satisfaction of the Center for Sustainable Energy (“CSE”), that the installation work is authorized by the Owner of the real property and the Applicant. Each Owner and each Applicant must complete, sign, and submit this form to CSE. CSE reserves the rights to require that Applicant and Owner provide such further information as CSE may require to review and approve of Applicant’s application.

Northern California Incentive Project promotes easy access to zero-emission vehicle infrastructure by offering rebates for the purchase and installation of eligible DC Fast Chargers and Level 2 chargers.
