

# San Joaquin Valley Site Verification Form

San Joaquin Valley Incentive Project applicants that do not own the property where the proposed installation site is located must provide authorization, to the satisfaction of the Center for Sustainable Energy (CSE), that the installation work is authorized by the owner of the real property and the applicant. Each owner and applicant must complete, sign and submit this form to CSE. CSE reserves the right to require that applicant and owner provide such further information as CSE may require to review and approve of the application.

The San Joaquin Valley Incentive Project promotes easy access to zero-emission vehicle infrastructure by offering rebates for the purchase and installation of eligible DC fast chargers and Level 2 chargers. Rebates of up to \$80,000 per DC fast charger and up to \$5,000 per connector for Level 2 chargers are available. More information is available at [calevip.org/incentive-project/san-joaquin-valley](http://calevip.org/incentive-project/san-joaquin-valley).

Under the San Joaquin Valley Incentive Project, the applicant is the organization that will receive the rebate (rebate recipient).

## APPLICANT Please complete as follows.

Applicant/organization name (rebate recipient):

Application number (e.g., F-00000):

Installation site address:
