

CALeVIP ENERGY STAR® Commitment Form

Instructions for completing the CALeVIP ENERGY STAR Certification process are on the back of this form.

Name of manufacturer:

ENERGY STAR ID number (attach full agreement):

Date agreement executed:

Existing model number(s) seeking ENERGY STAR certification (attach model spec sheet):

Features for new models being developed (attach additional pages if needed):

Manufacturer is aware that to be eligible for CALeVIP, Level 2 chargers at a minimum must include the following features: network capable for data communication and repairs (meaning that your equipment must have been functioning on an EV charging network *prior* to submitting this form and includes completion of all network-to-charger integration testing), certified by a Nationally Recognized Testing Laboratory, capable of 6.2 kW or greater, have at least one J-1772 connector and accept multiple forms of payment, including credit cards.

Manufacturer understands that CALeVIP will reinstate ENERGY STAR as a mandatory requirement for chargers in future Level 2 projects. This mandatory requirement for projects is anticipated to be reinstated in early 2019.

Steps for Completing the CALeVIP ENERGY STAR® Certification Process

Step One – Complete and submit the ENERGY STAR Partnership Agreement

- A. To begin your application for ENERGY STAR and receive pertinent application materials needed for this Commitment Form, fill out an ENERGY STAR Partnership Agreement: <https://www.energystar.gov/sites/default/files/asset/document/ENERGY%20STAR%20Partnership%20Agreement.pdf>.
- B. Once the Partnership Agreement is completed, obtain and fill out an ENERGY STAR Participation Form for Product Brand Owner document: https://www.energystar.gov/sites/default/files/asset/document/ENERGY_STAR_Participation_Form_Prod_Brand_Owner.pdf.
- C. Email the completed forms to join@energystar.gov or mail to:

ENERGY STAR
c/o ICF International
1725 Eye Street, NW, Suite 1000
Washington, DC 20006

Step Two – Complete the CALeVIP ENERGY STAR Commitment Form

- A. Once complete, email to calevip@energycenter.org.

Step Three – Docket the ENERGY STAR Commitment Form

- A. Upload your completed ENERGY STAR Commitment Form on the California Energy Commission Docket Log: <https://efiling.energy.ca.gov/EComment/EComment.aspx?docketnumber=17-EVI-01>.
- B. In the “Comment” section, enter your company name and state that this is your ENERGY STAR Commitment Form.

Step Four – Add your equipment to the CALeVIP equipment database

- A. To submit your equipment’s specifications for review by the CALeVIP team, please navigate to <https://www.CALeVIP.org> and at the top right, click “Log In.”
- B. If you are a registered CALeVIP user**, log in and from your user dashboard, click the “Add Equipment” button. Complete the Add Equipment form for all equipment listed in your ENERGY STAR Commitment Form. CALeVIP staff will verify your equipment and determine your equipment eligibility for CALeVIP incentive projects.
- A. If you are a new user**, please create an account and sign up as an “Equipment Manufacturer.” After creating the account, send an email to calevip@energycenter.org indicating that you have created an account. You will receive further instructions on how to upload your equipment’s specifications and it may take several business days to verify your organization as an equipment manufacturer or service provider. Once you are verified, log in and from your user dashboard, click the “Add Equipment” button. Complete the Add Equipment form for all equipment listed in your ENERGY STAR Commitment Form. CALeVIP staff will verify your equipment and determine your equipment eligibility for CALeVIP incentive projects.

Step Five – Complete ENERGY STAR Testing and Certification

- A. Once complete, send an email to calevip@energycenter.org noting certification has been received. Please also attach any certification or approval documents you received from the ENERGY STAR program noting which products have become ENERGY STAR certified.
